

**WORKING
WITH
WENTWORTH**

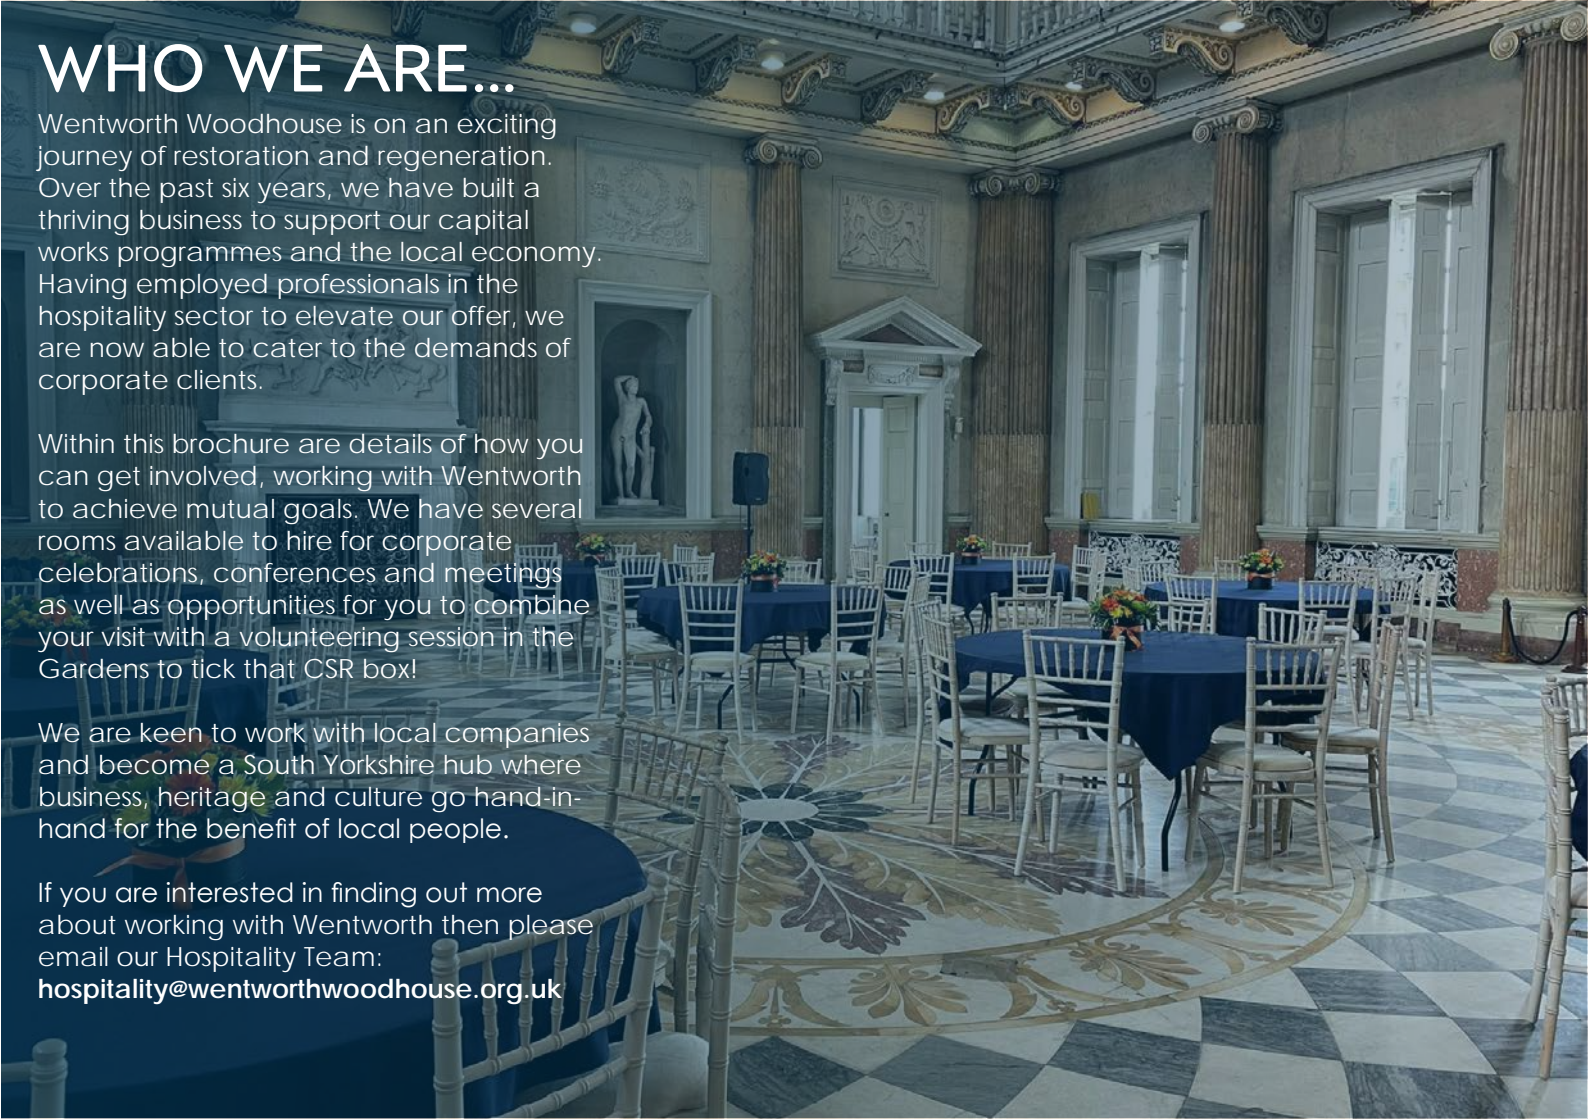

WHO WE ARE...

Wentworth Woodhouse is on an exciting journey of restoration and regeneration. Over the past six years, we have built a thriving business to support our capital works programmes and the local economy. Having employed professionals in the hospitality sector to elevate our offer, we are now able to cater to the demands of corporate clients.

Within this brochure are details of how you can get involved, working with Wentworth to achieve mutual goals. We have several rooms available to hire for corporate celebrations, conferences and meetings as well as opportunities for you to combine your visit with a volunteering session in the Gardens to tick that CSR box!

We are keen to work with local companies and become a South Yorkshire hub where business, heritage and culture go hand-in-hand for the benefit of local people.

Sponsorship of Events & Exhibitions

Our events and exhibitions programme has gone from strength to strength over the past few years and has created a firm foundation for our cultural strategy to flourish. From an exhibition by Turner Prize nominee Jason Wilsher-Mills, to another by Turner Prize winner Grayson Perry, we are already making an impact on the local art scene.

Your organisation can play a key part in these events as they present a fabulous opportunity for you to support our cultural growth, which in turn will have a positive impact on the local economy. We are seeking partners to support the delivery of our cultural programmes through sponsorship, in return for a range of benefits and exposure opportunities.

For details of upcoming events and exhibitions you could support, please email: info@wentworthwoodhouse.org.uk

Skills Partnerships

One of our primary aims as an organisation is to become a destination for skills development and learning: whether that be through our Trainee Creative Producers programme or offering top-class hospitality training in a state-of-the-art kitchen as part of the Stables regeneration.

We are keen to partner with local companies and offer opportunities to upskill your team as part of wider projects here at Wentworth Woodhouse. Whether you're a university looking to find placements for students or a heritage skills company looking for a joint project to work on, we'd love to hear from you.
